INTERIOR.

The Committee of the Privy Council have had before them a report, dated 22nd January, 1917, from the Minister of the Interior, submitting that Mr. Frank Huppert obtained the southeast quarter of section 16, township 33, range 14, west of the 4th meridian, under pre-emption entry on the 11th June, 1910; his additional homestead being the northeast quarter of the same section, for which he obtained patent on the 14th October, 1913.

Since completing his homestead duties, Mr. Huppert carried on the settlement duties in connection with his pre-emption for one year when, owing to hardships attendant upon his undertaking, rheumatism of a severe form developed in his left hip. He has been undergoing medical treatment and, according to testimony submitted by his medical advisers, it is necessary for him to make use of crutches to go about, and it is represented, moreover, that the nature of Mr. Huppert's ailment is likely to grow worse instead of better.

Under the circumstances, the Minister recommends that residence duties be dispensed with under sub-section 2, of section 20, of the Dominion Lands Act of 1908, and that patent issue upon proof being furnished that the requirements of the Act have been...

be fulfilled, and payment tendered for the land at the petition price.

The Committee concur in the foregoing recommendation, and submit the same for approval.

Re: Account of Henry George Long
[illegible] Settlement.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am in a position to report as follows:

In 1913 and 1914 seed grain amounting to $[illegible] was advanced to Henry George Long on the security of the above mentioned land. No payment has ever been received from the present standing of this account is:-

Principal	Interest	Total
$[illegible]	$[illegible].67	[illegible].67

The S[illegible] Settlement Branch of the Department of the Interior reports cancellation of the entry as cancelled on the 4th of April, 1921, and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 4th of June, last, J.H. Fodrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This land is unalienated Crown land that is occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of sale ever being effected by sale or utilized for any purpose other than grazing".

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

re S.E. 14-2 -3-w4.

The above described land was patented to one, Austin Holmes Bill Fenner on the 1st June, 1914, subject to liens for $54.00 and $40.00 respectively.

Mr. Fenner apparently disposed of the land shortly after the patent was issued, for on the 23rd December, 1914, the Certificate of Title stood in the name of one, Eugene D. Talbot and inscribed thereon were two liens, namely, $54.00 and $40.00 respectively, against A.H. Fenner.

On the 15th March, seed grain to the value of $70.50, relief to the value of $75.50, relief $36.00 and relief $36.00, respectively was given by A.H. Fenner on the security of the S.E. 14-2 -3-4.

Eugene Talbot has paid off the indebtedness for $54.00 and $40.00, which were on the abstract of title when he purchased this land, but since he has been in possession of same, these other liens have been registered against his land, Lee Murray and Walker, his solicitors, have written us several times wishing to have this indebtedness removed.

Kindly advise me if the event of the Department releasing the S.E. 14-2 -3-4, whether the exemption of Mr. Fenner, viz:- the S.E. 14-2 -3-4 is sufficient security for seed grain and relief liens outstanding.

For your information I beg to furnish you with a statement of this indebtedness, against which we have as yet received no payments on account.

MEMORANDUM.

Mr. R. C. Cote,
Controller of Land Patents.

Re. [illegible]-14-2[illegible]-3-4.4th.

The above described land was [illegible]d to one, Justly Holmes Will Fenner on the 1st of June, 1914, subject to two liens for $54.00 and $40.09.

Mr. Fenner apparently disposed of this land shortly after the patent was issued, for on the 23rd of September, 1914, the Certificate of Title stood in the name of Eugene G. Talbot, and inscribed thereon were the two liens above mentioned, made by J. H. H. Fenner.

On the 15th March, 1915, a seed grain lien for $70.50, was given by Mr. Fenner. A fodder lien for $98.50 and relief liens for $219.00 were also given by Mr. Fenner on the security of the SW-14-[illegible]-3-4, his unpatented pre-emption. These liens are now registered against the S[illegible]-14-[illegible]8-3-4, Mr. Talbot's.

Mr. Talbot has paid the liens for $54.00 and $40.09 and wrote to this Department requesting that the liens for $70.50, $98.50 and $219.00 be discharged, as Mr. Fenner had no interest in the SW-14-[illegible]-3-4 at the time he encumbered the SW-14-[illegible]-3-4.

Mr. Cuttle was asked to investigate this matter. He has now reported recommending that Mr. Talbot's land be released from the indebtedness given by Mr. Fenner. He states further that the SW-14 is worth $15.00 per acre and he considers this land ample security for the balance owing on Mr. Fenner's indebtedness.

Sir,

S.W.¼ 14-28-3-W.4th M.

I beg to acknowledge the receipt of your communication of the 15th ultimo and in reply I am to state that with interest compiled to the 31st instant the seed grain and relief indebtedness outstanding against the above described quarter section will amount to $659.30.

It shall not be necessary for an applicant to pay at the date of application for entry any portion of the indebtedness for seed grain, fodder or relief charged against the land, but he shall be required when making application for entry to execute an undertaking in writing as follows:-

1. That if the seed grain or other indebtedness of the former holder of the land, after adjustment or apportionment of the amount of such indebtedness charged against the land, still exceeds the value of the improvements, he agrees within sixty days after being notified to that effect to pay in cash to the Agent of Dominion Lands for the district one-quarter of the difference between the value of the improvements and the amount assessed by such apportionment or adjustment.

2. That he will thereafter pay the remainder of such indebtedness in three equal annual instalments with interest at six per cent per annum, computed from the date of entry, and interest payable upon any such instalment when the payment thereof is overdue shall be at the rate of seven per cent per annum.

You will, therefore, see that after an apportionment of the seed grain indebtedness has been made by the authorities you would be called upon to pay the amount as per the adjustment made in connection with the quarter section. However, as advised, the land is not available for homesteading at the present time.

I am furnishing the Timber and Grazing Lands Division of this Department with a copy of your communication and am drawing their attention to the fact that the lessee has never made use of this quarter section and it does not appear as if he intends to.

Re: Account of Justly Holmes Hill Fenner
S.E. 14-28-3-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $388.00 were advanced to J.H.H. Fenner on the security of the above described land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 388.00	$ 709.44	$ 1,097.44

The S.E. 14-28-3-W4 was formerly the pre-emption of J.H.H. Fenner whose entry was cancelled on the 16th of August 1923.

In reply to our questionaire concerning the S.E. 14-28-3-W4 of the 28th of May 19[illegible], J.W. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This land is unalienated crown land occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

Sir,

Subject 15-27-9-W.4th Meridian,
Homestead - Norman H. Noell (dec'd soldier).

On the 21st April, 1919, you advised this Department that action was being taken to secure Letters of Administration for the estate of your late brother, who held the above land under homestead entry, and you were advised by Departmental letter of the 2nd May, 1919, that the issue of patent for this land would be delayed for a reasonable period so that Letters of Administration might be filed here and patent issue in the name of the legal representative. To date nothing further has been heard from you and in view of the length of time that this case has remained in abeyance, the Department desires to clear the matter up without further delay. It has been decided, however, to allow you a period of sixty days within which to file Letters of Administration or advise the Department as to the address to which you desire the notification of issue of patent to be sent. As previously stated, the Department is prepared to consider the issue of patent in the name of the deceased entryman in case the estate is not in a position to file Letters of Administration.

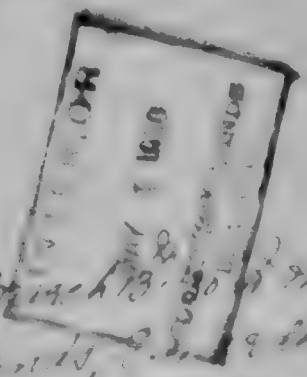

A copy of this letter is being addressed to the late homesteader's father, Simeon Noell, Millands Farm, S. Marden, Nr. Winchester, Sussex, England.

Your obedient servant,

Commissioner of Dominion Lands.

Sir,

Re: 15-27-3-4th Meridian,
Homestead - Norman H. Noell (dec'd soldier).

Madam,

In reply to your letter of the 16th ultimo, I am to advise you that action is being taken to have patent for the above land issue in the name of the deceased entrant. You will be notified of the issue of patent when will be sent to the Registrar for the district in which the land is situated and in order to obtain transfer of title so that the estate can dispose of this land it will be necessary to file with the Registrar a certified copy of Letters of Administration for the estate of the deceased, same copy bearing the seal of the Court for the district in which the land is situated.

Referring to your statement that you are not familiar with business affairs in Canada, I may advise you that the matter is being referred to Mr. Tremaine Dickson of Edmonton, Alberta. Mr. Dickson is the Official in charge for the Province of Alberta and it is considered that he may be in a position to assist and advise you in securing transfer of title and disposing of the land. A copy of this letter is also being addressed to your son, J.H. Noell, 7-1 - 7th Avenue East, Calgary, Alberta.

Commissioner of Dominion Lands.

Sir,

S.E.¼ 15-27-9-W.4th Meridian,
Homestead - Norman H. Noell (dec'd soldier).

Attached herewith is a copy of a letter from Mrs. E.E. Noell, the mother of the above named deceased soldier, in which she enquires in regard to her son's homestead. A copy of the Departmental reply is also attached.

It may be explained that in view of this homesteader's death while on active service it was decided that patent for the above land might be issued without requiring the completion of the settlement duties. This action was delayed, however, so that the entrant's brother, Mr. J.C. Noell, of Calgary, might have an opportunity of filing Letters of Administration. J.C. Noell appears to have taken no action in the matter although he has had ample time to do so and as Mrs. Noell has no knowledge of conditions in Canada and no one else to look after her interests and those of her grandson, it is thought that possibly you would be good enough to advise and assist her.

Encls. Patent for the land is being issued in the name of the deceased entrant and in order to dispose of same it is presumed it will be necessary for the estate to take out Letters of Administration.

Your obedient servant,

Sir,

I beg to inform you that your entry for the .... ¼ of Section ..., Township 29, Range 13, West of the 4th Meridian, will now be cancelled in accordance with the declaration of abandonment you executed.

There appear to be no improvements.

You are apparently desirous of locating scrip upon this land.

If your entry is now in good standing, you will be allowed sixty days within which to do so.

I beg to point out that if it is Half-breed scrip you intend to locate, and if you avail yourself of this privilege, it will thereby exhaust your homestead right.

I am to warn you that it is to be distinctly understood that the granting of this privilege is allowed only on condition that the assignment from the Half-breed to yourself is the only assignment which the Department will recognize or accept, and that such assignment should be filed with the Department at the earliest possible date, after the scrip has been applied.

In 1914-15 one Rudolph A. Salisbury incurred the following indebtedness in favour of the Department on the security of the S.½ 22-12-10 W4M.

Seed Grain	$45.00
Int. 6% from April 3rd, 1914.	
Seed Grain	20[illegible].30

Relief	74.15
Int. 6% from Dec. 2nd, 1915.	
Relief	25.00
Int. 6% from Jan. 4th, 1915.	

The Seed Grain lien for $[illegible].30 is the only portion of this indebtedness registered against title to the S.½ 22-12-10 W4M title to which vested in the name of Lulu Salisbury, wife of the lienee, under date of October 18th, 1913.

An Abstract of Title to the S.½ 22-12-10 W4M, drawn under date of August 1st, shows registration of the Seller and Relief indebtedness only and the Seed Grain lien for $45.00. However letter from lienee acquainted advising the lien for $[illegible].30.

It will appear Robert A. and Jerry [illegible]. Salisbury, sons of Rudolph A. Salisbury, set up a garage business in Prince Albert and obtained from the Crown Lumber Company sufficient material to erect a building on the above lots.

On May 4th, 1921, the [illegible] registered a Mechanic's Lien against the property for $1[illegible] the balance then owing by [illegible] the Railway Others had become so financially involved that they had ceased to hold any equity in the property and were willing to transfer the same to the Lumber Company on condition that they pay the arrears of taxes, $54.45, and release them from any further obligations.

This offer was accepted by the Company and title taken, which, on receipt, showed registration of liens in the name of Rudolph M. Salisbury for $22[illegible] and $1.30.

Although title to the lots stood in the name of Rudolph M. Salisbury he never held an interest or equity therein, title having been vested in his name by this Bank in order to increase their credit facilities.

In view of the fact that the indebtedness [illegible] was secured by registrations against titles to the N.½ 2-14-16 [illegible] and presupposing that Rudolph M. Salisbury did hold an equity in the lots they would constitute subsequently acquired security to the Crown Lumber Company and I would respectfully suggest in view of the facts as stated by the creek of similar nature that the liens be removed from title to the lots in question.

In reply to your letter of the 13th instant - this is a small Estate in the control of our Edmonton Office, who are Administrators, and who, I know, up to the present time, have had a very hard time, trying to make anything out of this Estate, and if you have, as you say, $780. against it, then, I am afraid, the Company, as Administrators, will have a very hard time in getting this money out of it, and the only chance of this being obtained would be the appreciation of values in that particular District from now on, by reason of the fair crop being reaped in 1927 prior to which, for eight or ten years, there was nothing obtained.

This is simply sent you for your information, and this is a case where a compromise will have to be reached providing anything can be obtained by the sale of the land.

Yours truly.

This quarter was patented on the 15th July, 1911, to Joseph A. Osborne, who on the 18th April, 1911, gave a mortgage in favour of the Standard Trusts Co. for $650.00 with 8% interest. Lulu Salisbury, wife of Adolph Mortimer Salisbury, was the registered owner for some years, according to abstract of title dated the 18th October, 1933, which showed the land to be her name at that date, subject to the lien for $207.00 and to municipal seed grain liens for advances in the years 1915 and 1920. Dear Sir:

Re: [illegible]

We have your letter of the 12th of April, 1921, informing us that there is a Dominion lien for $207.30 registered against the above land and asking the least amount the Government will accept in full settlement. Our account is for seed grain obtained in 1915 by Randolph A. Salisbury. The present standing is as follows:-

Principal	Interest	Total
$ 207.30	$ 375.15	$ 582.45

The Seed Grain Adjustment Board usually tries to negotiate a settlement on the basis of the principal amount and one half of the accrued interest. However in this case since there are so many debts outstanding the fairest settlement to all concerned would be on a pro-rated basis. If you will submit a statement of all the liabilities against the estate we shall pro-rate our claim with the other accounts over the selling price of the land and you will be advised as to what payment you are required to pay.

COPY SENT TO:-
H.C. French, Esq.,
Chief Collector,
Dept. of Municipal Affairs,
EDMONTON, Alberta.

Ottawa, 5th September, 1951.

Dear Sir:

Re: L.S. 22-12-10-W.4th.

We have been informed by H.C. French, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, that there is a Dominion lien for $207.30 registered against the above land in the name of Rudolph M. Salisbury. Evidence on our file shows that only the S.E. 22-12-10-W.4th belonged to Rudolph M. Salisbury and this Department evidently was in error in registering the lien against S.E. 22-12-10-W.4th. You are, therefore, authorized and requested to withdraw our lien for $207.30 from S.E. 22-12-10-W.4th.

A copy of this letter is being forwarded to H.C. French, for his information.

Yours very truly,

Registrar, of Dominion
Lands Patents.

Dear Sir:-

Re: W½ 22-12-10-W4th.

This Department has an old account against the above noted land for advances of relief, fodder and seed grain to Rudolph M. Salisbury in 1915. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Yours very truly,

WMCL.

Chief, Lands Division.

Dominion Advances

The Prairie Farm Rehabilitation Administration, having under consideration the report of the Chief Collector of the Collection Branch, Department of Municipal Affairs, numbered 11,189, dated October 25,1949, and having taken under consideration the attached P.F.R.A. 3308, dated October 25,1949, hereby approves the settlement outlined therein and does HEREBY ORDER AND DIRECT:

1. That the Minister apportion and adjust the indebtedness more particularly described in the attached report, so that on application of the sum of four hundred and sixty-six dollars and sixty-five cents ($466.65) to the credit of the Dominion advances the debt will be paid.

[illegible], Prairie Farm Rehabilitation Administration.

To:

The Honourable,
The Minister of Resources and Development,
[illegible], Ontario.

January 14,1954

Mr. J., Judge,
Chairman
Seed Grain and Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:

Re: NW 22-12-10-W.4th.
Randolph W. Salisbury
Dominion Advances

The above party obtained the following Dominion advances giving as security lien on the title to the land above described.

Relief & Fodder 1915	$277.50
Seed Grain 1915	207.30
	454.60
	939.76
Interest to October 31st,1953	1,424.56

Taxes were allowed to accrue on this parcel with the result that title was taken by the municipality in the year 1926 under provisions of the Tax Recovery Act.

A sale of this parcel has been arranged by the Municipal District for the sum of one thousand dollars ($1000.00). In view of the location of this land in one of the drier parts of the province and the fact it is assessed at four hundred dollars ($400.00) it can be considered that the sale price of same approximates the true value.

Tax arrears outstanding against this parcel total the sum of one thousand six hundred and twenty-seven dollars and forty-five cents ($1,627.45) and it is my recommendation that the proceeds of sale be distributed on a pro rata basis, first allowing a nominal sum of five dollars ($5.00) to cover costs. The allocation of the monies will be as follows:

Costs	$5.00
Taxes	528.35
Dominion Liens	466.65
	$1,000.00

As no further security remains and as there is no possibility of obtaining any repayment from the original debtor it is my further recommendation that the account be so adjusted that after application of four hundred and sixty-six dollars and sixty-five cents ($466.65) the indebtedness will be satisfied.

Yours truly
